### Fellowship Renewal Form

OAA fellows must comply with one of the following requirements to continue using the FOAA designation. Please check the appropriate category below. You will not need to submit this form if you acquired your fellowship within the last year. For all others please submit the necessary paperwork with this form before January 31st of the renewal year. Fellows must be current with dues which are payable in December and must be received by January 2nd.

- I attended the OAA sponsored educational event at \_\_\_\_\_ on \_\_\_\_/\_\_\_\_/\_\_\_\_\_.  
Copies of attendance verification enclosed.
- I am submitting an additional two case studies on Ortho-k using the required forms included
- I have lectured on Ortho-k at a major Optometric conference ( AOA, OptiWest, SECO etc) and I have included with this form a copy of the conference agenda listing my name and topic.
- My dues for the renewal year are paid                       Dues payment of \$250.00 enclosed
